Dear Mr. Ruedt,

Thank you for designating the Autism Society of Southeastern Wisconsin as the charity recipient of your Golf Outing. Your generous gift of \$7,500.00 is greatly appreciated and will all stay and be used right here in southeastern Wisconsin!

The Autism Society of Southeastern Wisconsin's mission is to improve the lives of all affected by autism. We serve as the primary Autism resource for the nine counties of Southeastern Wisconsin. ASSEW supports people with Autism Spectrum Disorders, their families, professionals, and others, by sharing information, supporting research, providing networking opportunities, and promoting awareness through education and training.

Again - thank you. Your community support through creative fundraising activities and financial gifts, and the support of people in southeastern Wisconsin are what make it possible for us to expand and enrich the services we provide to people affected by autism.

Sincerely,

Emily Levine
