

Dear Friends -

Thank you so much for your generous contribution to the **Elmbrook Education Foundation's 2013 Spring Gala!**

With your support, we are happy to report that we had an extremely successful event and achieved a record year for total funds raised.

This success will directly benefit Elmbrook Schools and the Gateway to Technology Pre-Engineering Program.

Your participation in 2013 Spring Gala and partnership with the Elmbrook Education Foundation continues to promote and sustain excellence in our community schools.

Without your assistance, we would not have been this successful!

We sincerely appreciate YOU!
